## **Australian Wool Industry Medal 2022 Recipient**

### **Ms. Judy Turk**

Judy's professional career was as Laboratory Technician and Manager working for Michell Wool for 42 years but her ongoing contribution to industry through the various FAWO/WIA/IWTO Technical Committees and Standards Australia extended well beyond 2004.

Judy's expertise and input is highly sought after particularly her consideration of how complex technical innovations may impact the commercial sector.

Judy's commercial perspective is valued by all wool processors globally and not just her employer.

In addition, Judy gave lectures in relevant wool courses at tertiary level at UNE, delivered training across Australia and developed learning resources for tertiary-level wool courses.
